

Fiscal Year July 1, 2011—June 30, 2012

Mission Statement

The mission of Guardian Angels Regional School is to nurture, encourage and educate the mind, body, and spirit of each child to foster spiritual, social and intellectual growth by providing a quality and challenging academic education permeated by Gospel values in the Catholic Franciscan tradition.

A note from our Principal:

A new school year is upon us here at Guardian Angels Regional School and I am very excited to be writing to you to share the wonderful news that we have over 280 students from Pre-Kindergarten– 8th Grade who we will be educating this year.

I would also like to take this opportunity to again thank you, our donors, for your generous support to the 2011-2012 Guardian Angels Fund. With your support and prayers our school raised over \$55,000 last year through your donations to our annual fund. Your generous support has benefited our children directly in the classroom, on the playing field and on the stage.

With the funds raised through last year's annual fund, we have been able to:

- Purchase new tablets for our 7th & 8th graders
- Purchase new reading series for our 3rd, 4th and 6th-8th grade classes which not only include new textbooks and workbooks, but also reading resources and classroom manipulatives, and online interactive resources
- Continue professional development workshops for our faculty, as well as increase our teacher aides to help in our classrooms
- Purchase new library shelves, tables and chairs for our newly moved library at our Paulsboro campus
- Apply mulch and spruce up both of our playgrounds
- New tile floors were installed in our 1st and 2nd grade classrooms

We are truly grateful to you for your continued support of our school. Your generous donations enable us to provide the best education for our students.

God Bless You!

Sincerely in Christ,

Sr. Jerilyn Einstein, fmj

2011-2012 School Year Ends

The 2011-2012 school year came to a close on Wednesday, June 20th.

The students were very excited to begin their summer vacations.

The Class of 2012 graduated on June 14th and began their lives as upcoming high school freshmen. We are very proud of them and their accomplishments and look forward to watching them grow through their high school years.

Our students continue to grow in their love of learning as well as in their faith for God. We are very excited for what the 2012-2013 school year has to offer us as we begin this September.

As we look back to last year we were very excited to have completed our Middle States Accreditation visit and to have

made such wonderful memories.

We anxiously await the review from the Middle States organization and look forward to hearing from them in the fall.

Our students explored learning in fun and exciting ways, our athletes completed with great pride and sportsmanship and our fine arts students shared their talents on the stage when they performed *Beauty and the Beast, Jr.* in the spring. As the school year came to an end our students said good-bye for the summer but knew that the good-bye would not be for long, knowing that September 2012 would bring new excitement as they enter our doors to continue their Catholic education.
