The mission of Guardian Angels Regional School is to nurture, encourage and educate the body, mind and spirit of each child, to foster spiritual, social and intellectual growth by providing a quality and challenging academic education permeated by Gospel values in the Catholic Franciscan tradition.

MESSAGE FROM OUR PRINCIPAL

The 2015-2016 school year is upon us. Our school will soon be filled with the laughter and smiling faces of children as we begin yet another year here at Guardian Angels.

I am reminded now of how grateful our school community is to you, our donors for your donations to our school's annual fund. This year we once again, reached our goal.

THANK YOU!!! Each one of you who have chosen to take an active part in our school community by making a donation to our school has made a great impact. As I have stated before, 100% of the funds raised through this campaign benefit the students of our school.

I invite those of you who have not donated to our fund before to consider making a donation to the 2015-2016 Guardian Angels Fund. With your support, our school will continue to thrive and carry on the mission of our Lord Jesus Christ.

Sincerely in Christ,

Sr. Jerilyn Einstein, FMIJ

Community Service

“What can we do for our community?”

A question we ask ourselves everyday as the Guardian Angels Regional School Community. Our students, faculty and staff are very involved with the communities that surround our school. As a school that follows the traditions of the Catholic faith it is very important to us that we follow Christ's example of “do unto others.” In the coming months we will connect with our community by reaching out and lending a hand when needed. We will be collecting gloves, scarves, hats and mittens for children in need, pajamas for children that may not have them, toys to help parents that can not afford them and many more activities to follow Christ's example.
