Dear Future Fourth Grade Students,

I am looking forward to meeting you all in the fall. I know we will have a fantastic year in fourth grade. To prepare for next year, please complete the following assignments over the summer. The assignment that goes with your reading book is included in this packet and will be available on my web page to print. The packet will also be available at the office.

The book you are responsible to read:

Tales of a Fourth Grade Nothing, By, Judy Blume - You are to complete the attached worksheet and bring it with you on the first day of school. There will be a cute, assignment we will complete in school when you return in September. This is a funny story with a great message about family and love.

The second book to read is any book of your choice. Pick something fun but it should be grade level and reading level appropriate. Complete the book report page attached here and bring it with you on the first day back. Be ready to discuss the book in a round table setting with the class.

In addition to reading, I would also like you to review what you learned in math this year and be prepared to take addition, subtraction, multiplication and division minute tests. Practicing your math facts will help you to succeed in fourth grade.

I hope you enjoy your summer and I look forward to discussing the books you will be reading.

Sincerely,

Mrs. Bryceland

Fourth Grade Teacher

Tales of a Fourth Grade Nothing Book Report

As you read *Tales of a Fourth Grade Nothing*, make sure to complete this worksheet and have it with you by the end of the first week of school. We will make a cute project from this information.

Main Characters:

Traits: (What can you say about them?)

Setting: (Where does the story take place?)

Conflict: (What problems do the characters encounter?)

Solution: (How did the characters solve the problems they encountered?)

Book Review: (Color in the number of stars you give and write if you recommend the book.)
