Dear Students,

Summer is almost here! We want you to take the time to relax and enjoy time with your family and friends. We will see you in September, and we will be ready for an exciting year. With your cooperation, we will explore many new ideas, read some interesting and exciting stories, and learn more about our Faith. As we work together, the three of us will be there to help you get organized and take on another successful year.

Through the summer, we are asking you to read two books and complete lessons in IXL. Please purchase your own copy of the book as you will need to bring them with you on the first day of school. The novels will be used in class and will be a large part of our classes at the beginning of school next year.

IXL: Follow the lessons for the grade you are entering in September. Complete each assignment until you earn a 90-100% or until you have been working for 15 minutes. These assignments will be graded in September.

**Advanced Math students will receive a separate Math assignment from Mrs. Cook. The novels are the same for all students.*

Attached you will find all of the assignments for each grade level.

We hope you enjoy your summer and we look forward to seeing you in September!

Sincerely,

Mr. Dougherty, Grade 6 (Social Studies, Religion)

Mrs. McLaughlin, Grade 7 (Math, Science)

Mrs. Verton, Grade 8 (Reading, ELA)
